OFFICE OF THE SECRETARY
WASHINGTON, D.C. 20240

MAY 11 1978

Honorable Thomas P. O'Neill, Jr.
Speaker of the
House of Representatives
Washington, D. C. 20515

Dear Mr. Speaker:

Enclosed is a draft bill "To designate certain lands within units of the National Park System as wilderness."

We recommend that the draft bill be referred to the appropriate Committee for consideration, and that it be enacted.

The purpose of the bill is to designate, in accordance with section 3(c) of the Wilderness Act (78 Stat. 890; 16 U.S.C. 1132(c)), 25 areas as wilderness or potential wilderness. This proposed omnibus legislation represents completion of this Administration's review of wilderness proposals for areas within the National Park System made by previous Administrations, and consolidates into one legislative package many separate pieces of wilderness legislation currently pending before the Congress.

There are currently 30 National Park System wilderness proposals submitted by this Administration or previous Administrations which are not yet enacted. The bill proposes the following:

1. Four of the proposals should be enacted as previously submitted: Buffalo National River, Cedar Breaks, Everglades, and Glacier;
2. Action should be postponed on five of the proposals pending further study: Yosemite, Canyonlands, Capital Reef, Death Valley, and Assateague;
3. Action should be postponed on Great Smokies until the Park Service and the State of North Carolina resolve a dispute regarding the location of a road;

4. As the Katmai National Monument is being considered as part of the D-2 deliberations, we have not proposed designating it in this legislation;

5. The remainder of the previously submitted proposals should be revised in various ways which are described in the attached descriptions.

In addition, we have proposed wilderness and potential wilderness designation for portions of Gulf Islands National Seashore.

We have attached to this proposal a description of each area and other information, such as the facilities currently existing in those areas and management practices.

The Office of Management and Budget has advised that this legislative proposal is in accord with the program of the President.

Sincerely,

A handwritten signature in dark ink, appearing to read "Bob Herbst", is written over a horizontal line.

Bob Herbst

GREAT SMOKY MOUNTAINS NATIONAL PARK
NORTH CAROLINA AND TENNESSEE

AN AGREEMENT IN 1943 BETWEEN THE DEPARTMENT OF THE INTERIOR, THE TENNESSEE VALLEY AUTHORITY, THE STATE OF NORTH CAROLINA AND SWAIN COUNTY, NORTH CAROLINA, PROVIDED THAT SOME 44,000 ACRES ACQUIRED BY TVA FOR THE DEVELOPMENT OF FONTANA DAM AND RESERVOIR WOULD BE ADDED TO THE GREAT SMOKY MOUNTAINS NATIONAL PARK. IN RETURN FOR THE LAND, THE NATIONAL PARK SERVICE WAS TO BUILD A ROAD ALONG THE NORTH SHORE OF FONTANA RESERVOIR, FROM THE PARK BOUNDARY NEAR BRYSON CITY, NORTH CAROLINA, TO FONTANA DAM AS REPLACEMENT FOR A ROAD WHICH WAS TO BE FLOODED BY THE RISING WATERS OF THE RESERVOIR. THE DEPARTMENT OF THE INTERIOR HAS SINCE DETERMINED THAT THE ROAD SHOULD NOT BE BUILT BECAUSE OF ITS PROSPECTIVE DAMAGE TO THE WILD COUNTRY IN THIS PORTION OF THE PARK. BECAUSE SOME OF THE LANDS INVOLVED MIGHT OTHERWISE BE SUITABLE FOR INCLUSION IN THE WILDERNESS PROPOSAL, WE RECOMMEND DEFERRAL OF CONGRESSIONAL ACTION ON WILDERNESS DESIGNATION FOR GREAT SMOKY MOUNTAINS NATIONAL PARK UNTIL THIS MATTER IS RESOLVED.

GREAT SMOKY MOUNTAINS NATIONAL PARK
NORTH CAROLINA AND TENNESSEE

ON DECEMBER 4, 1974, THE PRESIDENT SENT TO THE CONGRESS RECOMMENDATIONS FOR DESIGNATING 390,500 ACRES AS WILDERNESS AND 400 ACRES AS POTENTIAL WILDERNESS ADDITIONS IN GREAT SMOKY MOUNTAINS NATIONAL PARK. WE HAVE RECENTLY REVIEWED THIS PROPOSAL AND NOW RECOMMEND THAT 425,384 ACRES BE DESIGNATED AS WILDERNESS AND 52,286 ACRES AS POTENTIAL WILDERNESS ADDITIONS. THIS SIGNIFICANT AREA INCLUDES A NUMBER OF MANAGEMENT ROADS THAT HAVE NOW BEEN CLOSED. THE LE CONTE LODGE WOULD REMAIN IN A 10-ACRE ENCLAVE. THE POTENTIAL WILDERNESS ADDITIONS CONTAIN LANDS WHERE THE TENNESSEE VALLEY AUTHORITY HAS RESERVED RIGHTS, AS WELL AS LANDS IN PRIVATE OWNERSHIP OR WITH OTHER PRIVATE RIGHTS. THIS WILDERNESS RECOMMENDATION IS SHOWN ON A MAP ENTITLED "WILDERNESS PLAN, GREAT SMOKY MOUNTAINS NATIONAL PARK," NUMBERED 133-20,003-B AND DATED JANUARY 1978.
